At **TANDEM SEMINARS**, we deliver relevant professional information to business and community groups. The focus is always business and the networking opportunities are stellar. At each of our turn-key events we provide dynamic speakers, delicious refreshments and sports memorabilia that is given away to audience members. We are often joined by sports celebrities who are pleased to sign autographs, greet fans and pose for photos .

With the exception of a few volunteers to assist in promoting and staffing the event, Tandem Seminars handles every aspect of this unique event. We have the management team and experience to ensure that each speaking engagement runs smoothly and a good time is had by all. We enlist the support of the hosting organizations to create a buzz throughout the community by distributing posters, fliers and other marketing materials, which are provided free-of-charge by Tandem Seminars.

Give your local community, business associates and guests an evening filled with entertaining and valuable presentations that will have a positive impact in their lives. Host a Tandem Seminar and together we will lift the neighborhood and bring people together for an evening they will not soon forget.
